

FULL FUNCTION REMOTE

Did you know, we can take your existing trailer and upgrade it to have full function remote capabilities?! Why limit yourself to standing on the side of the trailer? Wouldn't it be nice to be in multiple places at once? A wireless remote will allow you to be anywhere around the trailer, giving you a better view of the job at hand. See below how simple it can be to get a quote today!

- Call or email TRAIL-EZE Parts Department for a FREE quote
 - You will need the last 5 digits of the serial number
 - Email: lindi@traileze.com Phone: 605.990.7962
 - Email: bailey@traileze.com Phone: 605.990.7963
- The parts department will look at your current set up and swap out the work sections on the valve body that do not have remote capabilities, issue a new tie rod and the wireless remote with the desired functions
 - We can quote replacement parts for you to modify the valve bank or quote an entirely new valve bank and assemble it here at no additional charge
- Should you need further assistance, we have personnel available to answer any questions
